

Terms of use

We want as many interested parties as possible to use the resources we have developed. The [Glossary](#) and [eLearning](#) (together ‘training material’) can be accessed and used free of charge and without any need for registration via our website.

A downloadable version of the eLearning material is available in separate modules here: <https://www.signedsafety.eu/download/> A full version of the glossary is available by request.

The training material prepared within the SSaW project is available under a Creative Commons Attribution-NonCommercial-NoDerivs 4.0 License International. The full text of the license is available at [Creative Commons — Attribution-NonCommercial-NoDerivatives 4.0 International — CC BY-NC-ND 4.0](#)

In simple terms this means that you may use the SSaW training material but we require that:

- You do not use it commercially,
- You attribute the SSaW consortium as the source of the content using the text of the attribution (below),
- You cannot alter, transform, or build upon this work.

You can apply for the written consent of the SSaW consortium if you wish to alter, transform or build on the training material to enhance particular learning purposes. If you are interested in doing so, please send a request via email addressed to project@signedsafety.eu

By downloading the glossary or eLearning material you are deemed to agree with the terms of use (please see above).
